

A Camp is being arranged by the West Lancashire County Cub Team for the weekend of June 20th to 22nd at Waddecar (near Beacon Fell).

We know it is quite a long way ahead but the Camp organising team need to know numbers and have money in before the Easter Holidays. This is because they want to book extra activities in addition to the ones run by Leaders. These activities always need to be paid for & booked well in advance.

We will camp with other Preston Cub Packs and 'dine' with them too. The cost is **£40** to cover payment for all activities, food and transport. Please fill in the form below and return to the Leaders ASAP. More information will be sent nearer the time.
